

Job Description

BOARD CERTIFIED BEHAVIOR ANALYST

Are you looking to improve the lives of children and adults with autism? If so, The SEED Center is seeking passionate BCBAs to join our interdisciplinary team!! The SEED Center is a state-of-the-art, all-inclusive center for individuals with autism and related disabilities. We provide a wide range of services including: Applied Behavior Analysis (ABA), Social Skills groups, Life Skills Coaching, and Job Coaching. Sessions take place in the home, school and/or at our center.

ROLE

The BCBA provides school consultation and manages all aspects of ABA Therapy, including: conducting assessments, developing ABA programs, and providing supervision and training to Behavior Technicians. The BCBA uses evidence-based practices and interventions to modify behaviors and increase language, communication, social, independent play and self-help skills. The BCBA is an employee of The SEED Center and not a contractor.
