

## **Board Certified Behavior Analyst (BCBA)**

Make a Meaningful Impact with a Supportive & Growing Team!

The SEED Center, an accredited provider of autism services recognized by BHCOE, is seeking a dedicated and passionate Board Certified Behavior Analyst (BCBA) to join our collaborative and supportive team. If you are driven by a shared passion for enhancing the quality of life for individuals with autism and thrive in a dynamic, rewarding environment, we encourage you to apply!

As a BCBA at The SEED Center, you will manage all aspects of Applied Behavior Analysis (ABA) therapy for your clients, playing a key role in their development and success.

### **Responsibilities:**

- \* Conduct comprehensive assessments to identify client strengths and areas for growth.
- \* Develop individualized ABA treatment plans utilizing evidence-based practices and interventions.
- \* Provide expert clinical supervision and mentorship to our expanding team of Behavioral Therapists.
- \* Deliver essential monthly family training to ensure consistency and generalization of skills across all environments.

### **Qualifications:**

- \* Master's degree in Behavioral Analysis, Education, Psychology, or a related field.
- \* Board Certified by the Behavior Analyst Certification Board (BACB) in good standing (**required**).
- \* Reliable transportation.
- \* Ability to work a flexible schedule to meet the diverse needs of our clients.
- \* A strong commitment to ethical practice and client well-being.
- \* Excellent communication and collaboration skills.
- \* A positive and enthusiastic attitude.

### **Why Choose The SEED Center?**

- \* Up to \$5,000 in bonuses annually!
- \* Comprehensive Benefits:
  - \* Medical, Dental, and Vision insurance (No deductible!)
  - \* Paid Time Off (PTO)
  - \* 401k retirement plan
  - \* WFH Opportunities (depending on client needs and role specifics)
  - \* Flexible Schedule options
  - \* Verizon discount
- \* Professional Growth & Support:
  - \* Opportunity for an annual increase based on performance.
  - \* Monthly leadership meetings with BCBA-D and clinical team.
  - \* Manageable caseload of 10-12 clients, allowing for quality focus.
  - \* Opportunities to obtain CEU credits.
  - \* Annual Conference participation.
  - \* Supervision for Licensure (if applicable).
  - \* Fun, supportive, and collaborative work environment.
  - \* Regular staff appreciation events.
